Workforce Programs	\$10M	Governor's Office	Drafting eligibility requirements	(i) Pre-apprenticeships and apprenticeships; (ii) Targeted healthcare workforce programs; (iii) Targeted early childhood workforce programs; (iv) Dislocated and underemployed talent transition programs; (v) Workforce development for targeted populations who do not qualify for other assistance, including prisoners released on parole; (vi) Assistance to former Wyoming residents who have intent to return to Wyoming for careers; (vii) Economic development training for state, local and private economic development professions.
Outdoor Rec grants.	\$10M	State Parks	Drafting eligibility requirements and draft grant program	This appropriation to the department of state parks and cultural resources is for products, projects and grants in response to the COVID-19 public health emergency that qualify as ARPD expenditures.
Outdoor Rec and Tourism	\$2M	State Parks	Drafting eligibility requirements and draft grant program	This appropriation to the department of state parks and cultural resources, office of outdoor recreation, is for qualifying ARPD expenditures.
Air Service Financial Enhancements	\$8.83M	WYDOT	Funding is ready to be utilized.	This appropriation to the department of transportation is to provide aid to commercial air providers to mitigate financial hardship, including supporting payroll costs, lost pay and benefits for returning employees, support of operations and maintenance of existing equipment and facilities.
Emergency Communications - Wyolink.	\$35M	WYDOT	Letter of instruction for local entites for the \$4.5M went out the week of 25 April. WYDOT will solicit requests through the long standing and well established protocols of the Communication sub committee of the State Senior Advisory Committee run by the Wyoming Office of Homeland Security.	This appropriation to the department of transportation is for qualifying ARPD state or local government expenditures related to the WyoLink statewide public safety interoperable radio communications system, hardware and network. This appropriation is for purposes of assisting Wyoming's continued response to the COVID-19 public health emergency and improved connectivity of first responders.
Healthcare staffing stabilization.	\$13M	Dept of Health	Drafting program requirements, eligibility, and contract provisions.	This appropriation to the department of health is for purposes of providing emergency funding for staff retention and for attracting employees to health and human services provider groups. The department of health shall provide priority for funding under this footnote to employees who care for vulnerable populations and at risk populations.
Health and Human Services Innovation fund.	\$5M	Dept of Health	Drafting program requirements, eligibility, and review/scoring process.	This appropriation to the department of health is for purposes of providing grants for health and human services innovations in rural health care, long-term care, provision of human services, community behavioral health, mental health and health information technology and digital medical innovation.
EMS Dispatch Certification.	\$84K	Dept of Health	In process.	This appropriation to the department of health is for the establishment of emergency medical dispatch statewide certification, which could include training, hardware and other activities to improve emergency response times and patient outcomes related to the emergency response to the COVID-19 public health emergency.
211 Capacity Building.	\$1.75M	Dept of Health	Drafting requirements and contract.	This appropriation to the department of health is for purposes of enhancing the capacity of the Wyoming 2-1-1 directory of resources to provide comprehensive information and referrals to improve the emergency response to the COVID-19 public health emergency.
EMS Stabilization Fund.	\$5M	Dept of Health	Drafting program requirements, eligibility, and contract provisions.	This appropriation to the department of health is for purposes of providing grants to stabilize emergency medical services.
EMS Regionalization Pilot.	\$10M	Dept of Health	Application materials in process, pending completion of regional EMS listening sessions hosted by WDH and the Governor's Office.	This appropriation to the department of health is for purposes of establishing an emergency medical services regionalization pilot opportunity for the five (5) trauma regions across Wyoming and investigating alternative options for emergency medical services that improve access and reduce costs. Expenditure of this appropriation is conditioned upon a match of funds
Wyoming Home Services funding	\$2.75M	Dept of Health	N/A	This appropriation to the department of health, aging division, is for the Wyoming home services program. This appropriation shall be used in lieu of expenditure of state general funds for any qualifying ARPD expenditures for the Wyoming home services program.
Health and Human Services Capital Improvement and Provider Relief	\$5M	Dept of Health	Drafting program requirements and eligibility.	This appropriation to the department of health is for purposes of providing grants to health and human services providers to improve existing infrastructure and to provide financial relief to providers who are at imminent risk of closure. Grants shall be distributed to providers as determined by the department.
24-7 Suicide Prevention Hotline.	\$2.1M	Dept of Health	Request for Information in process.	This appropriation to the department of health is to procure twenty-four (24) hours per day suicide lifeline services.

Mental Health Provider Training.	\$200K	Dept of Health	In process.	This appropriation to the department of health is for the purpose of training one hundred three (103) mental health first aid trainers across the state to include two (2) trainers in each county, one (1) trainer in each school district, one (1) trainer in each community college district and one (1) trainer in the University of Wyoming. This appropriation is intended to increase access to mental health first aid trainers for purposes of training community members to assist residents experiencing mental health or substance abuse challenges due to the COVID-19 pandemic.
Law enforcement and first responder mental health support.	\$1M	Dept of Health	Drafting program requirements and eligibility.	(a) This appropriation to the department of health is for the purpose of establishing a grant program for emergency medical service providers and county and municipal law enforcement agencies to deliver and improve access to mental health services for first responders as defined by W.S. 27-14-102(a)(xxxi) and law enforcement officers. An emergency medical service provider or county or municipal law enforcement agency seeking a grant under this footnote shall apply to the department detailing the provider's or agency's grant proposal on an application provided by the department. Grant proposals shall be evaluated by the department and prioritized for grant funding based on the following criteria: (i) The degree to which the proposal will reasonably achieve the intent of this program; (ii) The adequacy of the proposal's approach to ensuring that any mental health programming funded through the receipt of a grant can be independently sustained by the emergency medical service provider or county or municipal law enforcement agency into the future.
Food insecurity - network evaluation.	\$250K	Dept of Family Services	Draft RFP will be reviewed on May 9	This appropriation to the department of family services is for the purpose of planning a system to maximize state and local food distribution and minimize waste of donated and publicly purchased food to feed needy children, families and elderly persons with the intent to identify best practices and opportunities for enhancement and improvement.
Wyoming Investment in Nursing program.	\$6.4M	Wyoming Community College Commission		This appropriation to the Wyoming community college commission is for the Wyoming investment in nursing program. Notwithstanding the source of funding for this appropriation, it is the intent of the legislature that the standard budget of the Wyoming investment in nursing program within the Wyoming community college commission be requested from state general funds for the immediately succeeding fiscal biennium.
Capital Construction for Health and Human Services.	\$63M	Office of State Lands	Draft Rules - https://lands.wyo.gov/notice-of-intent-to-adopt-proposed-emergency-rules	This is for purposes of providing grants for qualifying health and human services infrastructure and capital construction investments. Grants from this appropriation shall be determined by the state loan and investment board. The following conditions shall apply to all grants provided under this footnote: (i) The maximum grant for any single project shall be ten million dollars (\$10,000,000.00); (ii) A needs analysis determination shall be conducted by the state loan and investment board and may include a review of the project sponsor's financial information, including but not limited to revenue and other projections, budgets, financial statements and audits; (iii) Expenditure of the grant by the recipient is conditioned upon a match of funds in the ratio of one dollar (\$1.00) of grant funds to not less than one dollar (\$1.00) from any other source, including in-kind contributions to the project, except that the state loan and investment board may modify this matching requirement upon determination of need as provided in paragraph (a)(ii) of this footnote.
Capital Construction for mental health facilities	\$7M	Office of State Lands	Draft Rules - https://lands.wyo.gov/notice-of-intent-to-adopt-proposed-emergency-rules	This is for the purpose of providing grants to community mental health center regional crisis stabilization facilities and women's substance use disorder facilities.
Capital Construction for rural health clinics	\$15M	Office of State Lands	Draft Rules - https://lands.wyo.gov/notice-of-intent-to-adopt-proposed-emergency-rules	This is for the purpose of providing grants to rural health clinics. Grants from this appropriation shall be determined by the state loan and investment board. The following conditions shall apply to this appropriation: (i) Up to thirteen million dollars (\$13,000,000.00)ARPD may be expended to provide grants related to costs incurred by rural health clinics for qualifying infrastructure and capital construction investments. (ii) Up to two million dollars (\$2,000,000.00)ARPD may be expended to provide grants for rural telehealth pilot projects.
Water and sewer infrastructure.	\$50M	Office of State Lands	Draft Rules - https://lands.wyo.gov/notice-of-intent-to-adopt-proposed-emergency-rules	This appropriation to the office of state lands and investments is for the allocation of competitive grant funding to cities, counties, special districts and tribal governments for eligible water and wastewater projects. The allocation of the competitive grant funding shall be determined by the state loan and investment board. The following conditions shall apply to all grants provided under this footnote: (i) The maximum grant for any single project shall be seven million five hundred thousand dollars (\$7,500,000.00); (ii) Expenditure of the grant by the recipient is conditioned upon a match of funds in the ratio of eighty-five cents (\$0.85) of grant funds to not less than fifteen cents (\$0.15) from matching funds provided by the project sponsor.
Local government support projects.	\$50M	Office of State Lands	Drafting Rules for SLIB	This appropriation to the office of state lands and investments is for administrative costs and merit based allocations of competitive grant funding to cities, counties and tribal governments to address the COVID-19 public health emergency or its negative economic impacts. Applications for eligible water and wastewater projects shall receive a lower priority from this appropriation than other eligible applications. Subject to the limitations provided in this footnote, the allocations of the competitive grant funding shall be determined by the state loan and investment board.

Efiling/PPE and Equal Justice	\$3.5M	Supreme Court		This appropriation to the supreme court is for the implementation of electronic filing of court documents in the Wyoming circuit courts and for associated maintenance and support as a mechanism to employ technology to limit the number of members of the public who are present in courthouses as a mitigation strategy to slow the spread of COVID-19. 24. This appropriation to the supreme court is for purposes of implementing COVID-19 mitigation measures including, but not limited to acquisition of personal protective equipment to slow the spread of COVID-19. This appropriation to the supreme court is for purposes of assisting with the provision of civil legal needs of low-income individuals, clients with special needs and other vulnerable populations and improving access to legal services during the COVID-19 pandemic through equal justice Wyoming. This appropriation shall be used by the supreme court to implement a common case management system for nonprofit civil legal aid providers, create an online triage portal for low-income individuals allowing for increased access to civil legal services, broaden access for limited English proficient individuals to the court system through remote interpretation and upgrade the equal justice Wyoming website, which serves as the central information repository for clients seeking legal assistance.
Connect Wyoming	\$25M	Wyoming Business Council	This appropriation will fulfil the 25% match required in for the 'Broadband Equity, Access and Deployment (BEAD)' program, which was established by the Infrastructure Investment and Jobs Act (IIJA). The Notice for Funding Opportunity (NOFO) for the BEAD program is expected to come from the U.S. Department of Commerce in mid-may. Every state is eligible for a minimum of \$100M from this program.	This appropriation to the Wyoming business council is for purposes of increasing broadband connectivity to improve access to and meet the increased need for reliable high-speed internet service. In administering funds distributed and expended under this footnote, the Wyoming business council shall: (i) Include performance requirements in its contracts with grant recipients, which performance requirements shall, at a minimum, require the grant recipient and any successor in interest to offer and provide continuous service to broadband customers during at least the first seven (7) years after substantial completion of the relevant project for which grant funds were expended; (ii) Strive to increase the availability of broadband services available in Wyoming rural, unserved and underserved areas in Wyoming cities, towns and counties. (iii) For middle-mile broadband projects as defined by W.S. 9-12-1501(h)(ii) that receive or expend funds from this appropriation, require project recipients to allow last-mile broadband providers access to those middle-mile conduits at a reasonable rate as determined by the council. (b) Of the appropriation in subsection (a) of this footnote, expenditure of fifteen million dollars (\$15,000,000.00) ARPD is conditioned upon a match of funds in the ratio of one dollar (\$1.00) of appropriated funds to not less than fifty cents (\$0.50) of private sector matching funds from project participants. Private sector matching funds provided under this subsection shall be accounted for in the aggregate of appropriated funds expended and not on a per project basis. Private sector matching funds provided under this subsection shall include future maintenance commitments that will be expended within the first three (3) years of the life of the project and any other allowable expense authorized by the Infrastructure Investment and Jobs Act, P.L. 117-58. (c) It is the intent of the legislature that the appropriation in subsection (a) of this footnote leverage additional federal funds for broadband connectivity under the Infrastructure Investment and Jobs Act, P.L. 117-58 to the maximum extent possible and not less than one dollar (\$1.00) of appropriated funds to four dollars (\$4.00) of federal matching funds.
Substance use disorder treatment backlog	\$1.2M	Dept of Corrections	Working with contracted treatment provider to expand treatment services.	This appropriation to the department of corrections is for purposes of resolving the substance use disorder treatment backlog created by the COVID-19 public health emergency.
WWAMI (health care workforce support)	\$1.58M	UW		This appropriation to the University of Wyoming WWAMI medical education program is to be expended solely for student tuition and fees if determined in writing by the Wyoming attorney general to be permissible under state and federal law. The Wyoming attorney general's written determination shall be provided to the state auditor's office before funds are released for the university from this appropriation.
College of Health Sciences	\$500K	UW		This appropriation to the University of Wyoming's college of health sciences is for purposes of setting up and developing an accredited physician assistant training program capable of educating and training cohorts of five (5) Wyoming physician assistant students per year. The program shall work and align as closely as possible with current medical education and training programs. The physician assistant program may allow students to participate remotely from any Wyoming community college as practicable.
Family Medicine and Residency Program	\$708K	UW		This appropriation to the University of Wyoming is for the family medical residency program.
